....Investors

Under current legislation interest will be paid after deduction of DIRT, where applicable, at 27% for interest paid annually and 30% for periods longer than one year. Please refer to the Brochure and Key Features for full details. Investors may not encash prior to the early access or maturity dates.

Warning: Past performance is not a reliable guide to future performance.

Warning: The value of your investment may go down as well as up. You may get back less than you put in.

Warning: If you cash in your investment before 14th December 2016 (Absolute Return Bond 2) you may lose some or all of the money you put in.
